HyperMotion Technology is represented across the entire pitch with new animations, ball physics, goal kicks, corner kicks, dribbling and sprinting, which delivers on-ball precision never seen in FIFA before. All 22 players are differentiated by their movement style (jog/pass/lateral/combo), sprint speed and physique (youth/senior) to ensure a fully realistic playing experience. The new HyperMotion technology also empowers video player producers with an advanced player creator. The advanced player creator helps to create a new fully working player based on real-life movements and characteristics. FIFA is the world's premier videogame franchise and EA SPORTS FIFA is EA SPORTS' flagship videogame franchise and the best-selling videogame franchise in the world, with over 130 million copies sold. HISTORY OF THE SERIES FIFA 14 was released in October 2013 to become the fastest-selling videogame of all time, with over 54 million units sold globally. The last of the FIFA franchise games to feature the Italian Serie A branding was FIFA 13, which was released in October 2012, and the next FIFA game, FIFA 13 Ultimate Edition, was released for Nintendo Switch, Xbox One and PlayStation 4 earlier this year. Since the

---

release of FIFA 15 in September 2012, the game has sold over 250 million copies worldwide. In July 2014 FIFA 14 received nine nominations at the Game Critics Awards, including: Best Sports Game, Best Music in a Game, Best Multiplayer Game, Best Game Design, Game of the Year, Technical Excellence, Lifetime Achievement in Sports Game Design and Sports Game of the Year. For the first time ever FIFA 14 became the first videogame to be nominated for Game of the Year at the National Academy of Video Game Trade Reviewers (NAVGTR) awards in December 2014. The award was presented to FIFA 15, it was the first time a FIFA game had won the award since FIFA 09 in 2008. FIFA 12 was released in September 2011 for Xbox 360, PlayStation 3, Wii, Nintendo DS, Nintendo 3DS and PC. POWERED BY FOOTBALL FIFA has always been about

---

the action and the players. The brand is still a true game changer, and if ever there was a game that could put the world back on its feet, it's FIFA. At its heart, FIFA is still a complete football game, with a stunning game engine and game play, while the pure emotion and entertainment of the game, the way footballers prepare for matches, the tactics of the teams, the overall experience of the game - that's all FIFA. DEDICATED TO THE GAME We will not be distracted by the present, nor by the noise of the world. We will be lulled into passivity by consumerist frenzy and angry politics. FIFA stands for Global International Football Association and EA SPORTS for Electronic Arts. LONDON CALLING Ultimate Team™ has made its debut in FIFA 22. This mode allows players to create their very own team of players, and then lead it to glory, dominating bc9d6d6daa

The all-new Ultimate Team brings a whole new level of customization and strategy to your FIFA Ultimate Team. Build the ultimate dream squad from over 35,000 current and legendary players from around the globe. Make a single move to swap an FUT player for a better player, or pair them together to create and manage the ideal XI. Passing – You’ll pass the ball much faster and more accurately, with Precision Passing motion that adds new ways to choose your passing options, new Passing mechanics to control passes precisely, better passing accuracy, and improved ball control. Online Seasons – There are 40 seasons in the game, for online progression and to earn rewards, and every season is a new challenge. New stadiums and cups that need to be won add to the excitement – there are new challenges like German domestic cup competitions and new tournaments too. There are new

---

challenges, rewards and challenges to engage with every month – so you never get bored! Stamina – Every new FIFA feels faster, with the added challenge of Stamina. Every new challenge means more Stamina required. This is just the tip of the iceberg – as players progress through the game there is more and more to do with every aspect of the game and every part of the game is a challenge with more challenges and more stamina. This is the ultimate FIFA game that pushes you to your limits! Storytelling – New game modes give the FIFA games an epic and uniquely FIFA experience. All new cinematic cutscenes will unfold, presenting a visual feast along the way, and reinforcing the drama of every footballing event. Orientation – A new feature of this FIFA – just like the new ball – is the "orientation" feature, which tells you which way up you need to play FIFA. This feature comes with a few new tips and tutorials that take you

---

step-by-step through each major feature of the game. Features The game has new features, such as Precision Passing, a new Tactical AI, new camera modes, new ball physics, and improved playing surface. Precision Passing Precision Passing is a new feature of FIFA in FIFA 22. The new ball puts you in control of the ball more, so you will pass the ball more accurately and more naturally. As you pass, the ball will adjust its direction according to where you are passing to. In addition, as you are passing the ball, you can choose a passing angle that determines how you want the
