
Homework (LO-FI Drum Kit) WAV TOP

open elements is loaded with high end sound design and production gear so you can create your own custom sonic explorations. these kits are a combination of instruments, loops and effects and can be used in many different styles. you will find all the essentials from dirty basses and kicks to high end sequencers and drum machines. surprise is the perfect set of drums for your next party. these drums are programmed with a computerised drum machine at a high pitch, then mixed down to their natural volume. get yourself a bag of these and start making some noise! exported and neatly organized, homework (lo-fi drum kit) is a jam-packed collection of four separate drum kits, containing more than four hundred files in total. the drums are fully sampled and adjusted for maximum flexibility. also includes a collection of midi files as well, for instant use, or for editing using your favorite daw. homework is available in three varieties: the whole kit, the kick only, the snare only. our beatmaking toolkit is available to all. whether you're a recent music student or a seasoned producer, we've made it easy for you to access all of our signature sounds. rather than being limited to a generic beat template, you can choose from over 200 carefully handcrafted drum kits, melodic loops, and fx that inspire the next hot sounds on the web. we have a limited amount of kits due to the fact that we only have so many templates to handcraft in. you can preview our drum kits on the site (which are free), or download our easy to use beat making toolkit which is completely royalty free. the kit comes in drum and percussion only or percussion and drum.
