Come on! Book Get Set Go. Read reviews from the world's largest community of readers. This book bypasses the idea of â€œbreaking age barriers. And if you don't know what you need, you can find a book in the "Library". If you don't want to read books, then use videos. You can download a YouTube video, or buy a book, or buy the rights to a movie or a song, or use ads, or create an app, or... If you don't know where to go, you can see where others are going. Books should be part of your life: you can't just open a book and read it. I want to pick up where I left off.
